GoToWebinar- Register for a Session

If you'd like to attend a session as an attendee, you'll first need to register for the session using the Registration URL in your GoToWebinar invitation. After you register, you'll receive a confirmation email with information on how to join the session when it's time.

1. Open your GoToWebinar invitation email.
2. Click the Registration URL to open the registration form.
3. Fill out all required fields including your first name, last name, and email address. If prompted, accept the organizer's webinar disclaimer by checking the box, then click **Register**.
4. Once you've successfully registered, you'll see a Registration Confirmation page.
 - you'll immediately receive a confirmation email with information on how to join the session.
5. Now that you've successfully registered, here are a few tips for making your webinar experience as smooth as possible.
 - You can add a GoToWebinar appointment to your calendar as a reminder to join the session at the specified time and date.
 - Visit our [Get Ready page](#) to make sure your system checks out and you have downloaded the software.
 - When it's time for the session, just click the Join URL in your confirmation email. Don't share the Join URL with anyone – it's unique to you.
