Biographical Information

Dr. Hoberman has been employed by Charles River Laboratories, Preclinical Services, Pennsylvania (formerly Argus Research Laboratories, Inc.) since 1981, serving as Study Director, Director of Reproductive Toxicology and currently as Executive Director, Global Developmental, Reproductive and Juvenile Toxicology. Prior to joining Argus Research, Dr. Hoberman was the Head of Reproductive Toxicology at Hazleton Laboratories in Vienna, Virginia. He received his BS in Biology from Drexel University, and was a graduate student in Anatomy at the University of Virginia before moving to Arkansas and completing a MS in Interdisciplinary Toxicology from the University of Arkansas and a Ph.D. in Toxicology from Pacific Western University. He is a Diplomat of the American Board of Toxicology and a Fellow of the Academy of Toxicological Sciences, with-over 85 publications and book chapters. He is the co-editor of *“Pediatric Non-Clinical Drug Testing, Principles, Requirements, and Practices”* published in January 2012.

Dr. Hoberman has been a member of the Birth Defects Research and Prevention (formerly The Teratology Society) since 1978 and is a Past President. He is also a member of the European Teratology Society since 1982 and is a councilor. He has been a member of the American College of Toxicology since 1979, is currently the Vice President and serves on the Editorial Board of the ACT Journal, International Journal of Toxicology. He is Past President of the Reproductive and Developmental Toxicity Specialty Section of the Society of Toxicology and Past President of the Middle Atlantic Reproductive and Teratology Association, as well as Past President of the Arkansas Biotechnology Organization.
